

KIDS ATHLETE GUIDE

August 17, 2024 | South Boston, MA

Welcome to the 2024 Kids Day at the Boston Triathlon

The Boston Triathlon is committed to introducing youth to the world of multisport. Kids Day is designed to inspire health and fitness, providing kids with a positive pathway through sports. Thanks to our friends at Amazon, this year's race is FREE for all participants. Kids Day at the Boston Triathlon will feature the USA Triathlon-sanctioned Kids Splash & Dash for athletes ages 7-15, as well as a Kids Fun Run for athletes under the age of seven. Following the event, all participants are invited to celebrate at the post-race Finish Pizza Party celebration.

We encourage all athletes and parents to review the information in this Kids Athlete Guide, which provides important details for race day. If you have any questions after carefully reviewing this guide, please contact Robert Panzera at robert@active-ethos.com

Please continue to check the race website and Facebook page for the most up-to-date information about the event.
